## Schriftarten

Überschriften haben eigene Schriftarten (ähnlich wie die Italiana in Figma nur keine "Standart" Schrift), Texte sollen eine "cleane" und leicht lesbare Schrift haben, aber auch wieder keine Standart Schrift. Die Schriftarten sollen alle zu dem Thema passen mit Ermittler in einem Fall bzw. Zeitung/Detektiv Vibes

## Inspirationen

Modernes Design mit vielen Transitions und Animations, jedoch nicht zu viel so dass es stört. Das Moderne wird mit dem Vintage-Detektiv-Stil gemischt werden und einige Designelemente werden wie bei einer Ermittlung aussehen.
